EXAMINERS STATEMENT OF REASONS FOR ALLOWANCE

1. Claims 12-13, 17-19, 21 (renumbered as 1-6 respectively) are allowed. The following is an examiner's statement of reasons for allowance:

2. The cited art of record, either singularly or in combination, does not teach the combined limitations set forth in each of Applicant's independent claims. It is respectfully noted that the examiner interprets said claims as providing at least the capability (pursuant to a Print command) of routing a print operation to either a virtual printer, or a physical printer, whichever is available, as disclosed by Applicant's specification, and discussed by Applicant in arguments presented 9/29/2005.

Although the examiner's newly cited references do teach virtual and physical printers, said references do not teach any judgement or selection of either virtual or physical printer type, or at best, teach a parallel path (printing to both a virtual, then to a physical printer).

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to William L. Bashore whose telephone number is (571) 272-4088. The examiner can normally be reached on 11:30am - 8:00pm EST.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Heather Herndon can be reached on (571) 272-4136. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
